REHIS ELEMENTARY HEALTH AND SAFETY COURSE

Introduction

The REHIS Elementary Health & Safety Course is designed to create a better understanding of Health and Safety. The emphasis is on making the employee safe for him/herself, safe for others and capable of identifying potential hazards. 'Health and Safety' takes as its starting point the fact that most accidents are attributable to a lack of knowledge or carelessness and that the key to improvement is increased awareness on everybody's part.

Guided Learning Hours

A minimum of 6 guided learning hours are required in preparation for this examination.
